

## Travellin' Band

Elton John

737 coming out of the sky  
Won't you take me down to Memphis on a midnight ride  
I want to move, yeah  
Playing in a travelling band, yeah  
Well I'm flying across the land  
Trying to get a hand  
Playing in a travelling band

Take me to the hotel  
Baggage gone, oh well  
Come on, come on, won't you get me to the room  
I want to move, yeah  
Playing in a travelling band, yeah  
Well I'm flying across the land  
Trying to get a hand  
Playing in a travelling band

Listen to the radio  
Talking about the last show  
Someone got excited, had to call the state militia  
I want to move, yeah  
Playing in a travelling band, yeah  
Well I'm flying across the land  
Trying to get a hand  
Playing in a travelling band

Here we come again on a Saturday night  
With your fussing and your fighting, won't you get me to the right  
I want to move, yeah  
Playing in a travelling band, yeah  
Well I'm flying across the land  
Trying to get a hand  
Playing in a travelling band

Well I'm playing in a travelling band  
Playing in a travelling band  
Playing in a travelling band  
Well I'm playing in a travelling band  
Well I'm flying across the land  
Trying to get a hand  
Playing in a travelling band
