

# United We Stand

Elton John

There's nowhere in the world that I would rather be  
Than with you my love  
And there's nothing in the world that I would rather see  
Than your smile my love

For united we stand  
Divided we fall  
And if our backs should ever be against the wall  
We'll be together, together, you and I

For united we stand...

And if the world about you falls apart my love  
Then I'll still be here  
And if the going gets too hard along the way  
Just you call, I'll hear
