## **Writingis There Anything Left**

**Elton John** 

Is there anything left
Maybe steak and eggs
Waking up to washing up
Making up your bed
Lazy days my razor blade
Could use a better edge

It's enough to make you laugh
Relax in a nice cool bath
Inspiration for navigation
Of our new found craft
I know you and you know me
It's always half and half

And we were oh oh, so you know Not the kind to dawdle Will the things we wrote today Sound as good tomorrow We will still be writing In approaching years Stifling yawns on Sundays As the weekends disappear

We could stretch our legs if we'd half a mind But don't disturb us if you hear us trying To instigate the structure of another line or two Cause writing's lighting up And I like life enough to see it through
