

# Devil's Carriage

Elvenking

On a hill, on the devil's top  
There is a man hiding in the shadows of the night  
He's trying to stop the course of time  
The line dividing good from wrong  
There is more than meets the eye  
In this world full of lies and death  
The devil's carriage is leading all the souls to a place so far away

[Bridge:]

You can't deny your innocence!  
Your life won't be forever  
You should show your nicest part  
You are the one who cries

[Bridge 2:]

You will see  
What you have never seen  
In the afterlife you know you will forever be  
At the fair, in the dragon's lair  
You won't be safe 'cause the red driver's waiting there  
He will be taking you through a nightmare you have never had before

[Bridge:]

You can't deny your innocence!  
Your life won't be forever  
You should show your nicest part  
You are the one who cries

[Bridge 2:]

You will see  
What you have never seen  
In the afterlife you know you will forever be

[Chorus:]

The devil's carriage ride  
It's a trip to the other side  
All it's said and done  
Won't count a single word  
Been taken in the devil's care  
You've never been a step downstairs  
But you have to know  
It's gonna happen here and now...  
It's your future and watch out  
'Cause the devil's carriage's running on and on!  
At the fair, in the dragon's lair  
You won't be safe 'cause the red driver's waiting there  
He will be taking you through a nightmare you have never had before  
At the sight of this dark fright night  
He came and took another soul  
Bleeding all it's light  
And from the coach the sound of laughter, of laughter
