

Say What You Mean

Emblem3

Yeah Yeah Yeah
Yeah Yeah Yeah Yeah

I'll never slip out this vibe, vibe
I get high though the low times
Yeah

And for a minute I forget
that, that I miss you
And in the moment doesn't
matter that I miss you
Yeah

I know the I'll get over you, you
Yeah
And in the moment it's true, true
Yeah

And for a minute I forget
that, that I miss you
And in the moment doesn't
matter that I miss you
Yeah

Say what you mean
Mean what you say
Say what you mean
Mean what you say

I said I wish that it could be
I said I wish that it could be

Yeah I say
Yea we vibe like the tide
On the seaside
I don't want no Kush
I want you to get me high

Get me by
I try and laugh but it sounds
more like a deep sigh

Everything I know
Everything thing I thought I knew
It's got me wondering if
I ever really had a clue

I can try with her
But the whole time
All I'll ever think about is you

There's no love
In making love
If that love isn't true

I know the I'll get over you, you
Yeah

And in the moment it's true, true
Yeah

And for a minute I forget
that, that I miss you
And in the moment doesn't
matter that I miss you
Yeah

Say what you mean
Mean what you say
Say what you mean
Mean what you say

I said I wish that it could be
I said I wish that it could be

Da da da da do
Do da da do
Da da da da do
Do da do

Da da da da do
Do da da do
Da da da da do
Do da do

I'll get over you
I'll get over you
I'll get over you

Say what you mean
Mean what you say
Say what you mean
Mean what you say

I said I wish that it could be
I said I wish that it could be
Yeah
I said I wish that it could be
I said I wish that it could be

Yeah yeah yeah
