Unbelievable

EMF

You burden me with your questions
You have me tell no lies
You're always asking what it's all about
Don't listen to my replies
You say to me I don't talk enough
But when I do I'm a fool
These times I've spent, I've realized
To shoot through and leave you

The things you say
Your purple prose just gives you away
The things you say
You're unbelievable

You burden me with your problems
By telling me more than mine
I'm always so concerned
With the way you say
You've always at stop to think of us
Being what is not that I ever know
But this time I realise
To shoot through and leave you

The things you say
Your purple prose just gives you away
The things you say
You're unbelievable

Seemingly last don't mean can ask us
Pushing down the relative bringing out your higher self
Think of the fine times pushing down the better few
Instead of bringing out the clues to what the world
Everything you asked to
Brace yourself with the grace of ease
I know this world ain't what it seems
It's unbelievable

You burden me with your questions
You have me tell no lies
You're always asking what it's all about
But don't listen to my replies
You say to me I don't talk enough
But when I do I'm a fool
These times I've spent, I've realized
I'm going to shoot through and leave you

The things you say
Your purple prose just gives you away
The things you say
Is what I love you more

The things you say
Your purple prose just gives you away
The things you say
You're unbelievable

You're so unbelievable

```
You're unbelievable
It's unbelievable
You're unbelievable
