Emmure

Now I'm walking away I don't need you I don't need this I have no interest to please or appease you I'm done wasting my fucking life On fucking cowards wasting my fucking And if I'm alone in this fight Then I'm walking away tonight Get fucked I'm standing on my own two feet I don't need you I don't need this I'm ready to die for my beliefs I'm ready to kill for my beliefs Are you with me in this fight? If not I'm walking away tonight
