

Dommmage, Dommmage (Too Bad, Too Bad)

Engelbert Humperdinck

Dommmage, Dommmage
Our love was once exciting
Now it's just a game we play.
Too bad, too bad
But nothing lasts forever
All at once
We lost our way.
Hello, goodbye
And suddenly it's over
And there's nothing we can do.
Dommmage, Dommmage
But may your next attempt at love
Come true

Hello, goodbye
And suddenly it's over
And there's nothing we can do.
Dommmage Dommmage
Too bad we couldn't
Make our dreams come true.
