

## Time To Let You Go

Enuff Z'Nuff

You've lost that feelin' in your kiss  
I'm only holdin' up the show  
My God, your face I'm gonna miss  
But I see it's time to let you go

You don't dig lovin' me no more  
We used to make it long and slow  
I've cried so long my eyes are sore  
I see it's time to let you go

It ain't no good if it don't feel good  
Real good  
It still felt good to me  
If you feel you should  
It's understood  
Go where you should be

Take everything that smells like you  
Leave no reminders left to show  
That at one time that we were two  
And now it's time to let you go

It ain't no good if it don't feel good  
Real good  
It still felt good to me  
If you feel you should  
It's understood  
Go where you should be

Take everything that smells like you  
Leave no reminders left to show  
That at one time that we were two  
But now it's time to let you go  
That at one time that we were two  
But now it's time to let you go  
That at one time that we were two  
But now it's time to let you go
