

My! My! Time Flies!

Enya

My! My! Time flies! One step and we're on the moon, next step i
nto the stars
My! My! Time flies! Maybe we could be there soon, a one way tic
ket to mars

My! My! Time flies! A man underneath a tree, an apple falls on
his head
My my time flies a man wrote a symphony, it's 1812

My! My! Time flies! Four guys across abbey road, one forgot to
wear shoes
My! My! Time flies! A rap on a rhapsody, a king who's still in
the news, a king to sing you the blues

My! My! Time flies! A man in a winter sleigh, white white white
as the snow
My! My! Time flies! A new day is on its way, so let's let yeste
rday go
Could be we step out again
Could be tomorrow but then,
Could be 2010
