

One By One

Enya

Hey hey hey
hey hey hey
hey hey hey
hey hey hey

Hey hey hey
hey hey hey
hey hey hey
hey hey hey

Here am I
Yet another goodbye!
He says Adiós, says Adiós,
And do you know why
She won't break down and cry?

- she says Adiós, says Adiós, Goodbye.
One by one my leaves fall.
One by one my tales are told.

It's no lie
She is yearning to fly.
She says Adiós, says Adiós,
And now you know why
He's a reason to sigh
- she says Adiós, says Adiós, Goodbye.
- she says Adiós, says Adiós, Goodbye.

One by one my leaves fall.
One by one my tales are told.
My, oh my! She was aiming too high.
He says Adiós, says Adiós,
And now you know why
There's no moon in her sky
- he says Adiós, says Adiós, Goodbye.
No Goodbyes
For love brightens their eyes.
Don't say Adiós, say Adiós,
And do you know why
There's a love that won't die?
- don't say Adiós, say Adiós, Goodbye.
- don't say Adiós, say Adiós, Goodbye.
- don't say Adiós, say Adiós, Goodbye.
