Cry For The Moon "The Embrace That Smothers - Part IV"

Epica

Follow your common sense
You cannot hide yourself behind a fairytale forever and ever
Only by revealing the hole truth can we disclose
The soul of this sick bulwark forever and ever
Forever and ever

Indoctrinated minds so very often
Contain sick thoughts
And commit most of the evil they preach against

Don't try to convince me with messages from God You accuse us of sins committed by yourselves It's easy to condemn without looking in the mirror Behind the scenes opens reality

Eternal silence cries loud for justice Forgiveness is not for sale Nor is the will to forget

Follow your common sense
You cannot hide yourself behind a fairytale forever and ever
Only by revealing the hole truth can we disclose
The soul of this sick bulwark forever and ever
Forever and ever

Virginity has been stolen at very young ages And the extinguisher loses it's immunity Morbid abuse of power in the garden of Eden Where the apple gets a youthful face

Eternal silence cries loud for justice Forgiveness is not for sale Nor is the will to forget

Follow your common sense You cannot hide yourself behind a fairytale forever and ever Only by revealing the hole truth can we disclose The soul of this sick bulwark forever and ever Forever and ever

You can't go on hiding yourself Behind old fashioned fairytales And keep washing your hands in innocence
