'Coz she's a gold digger

The P had a close call, quiet as kept I dated this ("Fly girl")
Yeah, and almost got vicked
She had green eyes, thunder thighs, and a def body
(So what cha sayin')
Top it off, she drove a black Maserati
Chrome kit, with a smile I couldn't resist
I tapped E on the shoulder and said, "Yeah, I gots to get this"
(P cool, she could be a gold digger)

Not with that smile and that stupid boomin' figure
'Til one day, she spent the crazy dough
Ten G's on Levi's, cold went Rambo
But then she smiled, gave me a back massage
Gassed my head up and said
(Oh, P you're so large)
Like a jerk, I went for the line like a fish
But she was far from dream girl, and more like a death wish
She likes to sit back, lamp, walk on plush rugs

Whip my five-sixty sip Moet and bug
(So did you flip?)
Tried to but she cut me off
And said, "Guess what?"
(What)
"I'm pregnant"
(Pregnant? Damn)
Yeah, and the child is yours
So to fellas, who wanna keep they cash
Or beware of the jack hammer and the helmet that glows
'Coz she's a gold digger

She's a gold digger She's a gold digger She's a gold digger

That's why, men in the 90's must watch themselves
'Coz ladies of the 80's got hip and went for self
With the new divorce laws, which entitles them half
That means the house goes
The car
You and half your cash
What a price to pay, but if you play you pay
'Coz women of the world they got smart today
They flash a smile and profile
A pucker with a strut

Try to move in
Knock the boots
And got stuck with alimony payments
Time to meet Judge Wapner
You try to flip and cut, but she smiles 'coz she gotcha
You get a flashback to wedding, when you vowed the vow
Said the two deadly words
I do
But look now, you lost the house
The car

Eatin' TV dinners in a one bedroom apartment
Boy you picked a winner
But what goes around, comes around
That's why she wheels the Benz
And you ride Greyhound
Oh, just your luck, they on strike
Take off the wedding band, put out the thumb, time to hitch-hike
And the more you walk the pain from your corns get bigger
(Now you know)
Not to mess with a gold digger

'Coz she's a gold digger 'Coz she's a gold digger 'Coz she's a gold digger

Yeah, EPMD's in effect, DJ Scratch runs flex boy Hit Squad in effect in the house Large Yeah, she get half
