

Cry So Easy

Erasure

Drawn the line
Don't want to waste my time
On an unresponsive kid like you
Who made the effort
You devil in disguise
You just keep on trying
To win affection with your smile

Baby cry so easy
Expect me to believe
In the love you're looking for
Say you'd never leave me
But babe I can't believe
In the love you're looking for

Danger signs
Opened up the eyes
Of an unsuspecting fool like me
What about an effort
What about tonight
What's the use in trying
When nothing's going right

Baby cry so easy
Expect me to believe
In the love you're looking for
(In the love that you're looking for)
Tears they don't come easy
And babe I can't believe
In the love you're looking for
(The kind love you never felt before)

Baby cry so easy
Expect me to believe
In the love you're looking for
(In the love that you're looking for)
Say you'd never leave me
But babe I can't believe in the love that
You're looking for
(The kind love you never felt before)

Can't you see
That you're turning me
Into a cold cold kid like you
Forget the effort
Now you're not mine
No more use in smiling
It's time to say goodbye

Baby cry so easy
Expect me to believe
In the love you're looking for
(In the love that you're looking for)
Say you'd never leave me
But babe I can't believe in the love that
You're looking for
(The kind love you never felt before)

Baby cry so easy
Expect me to believe
In the love you're looking for
(In the love that you're looking for)
Say you'd never leave me
But babe I can't believe in the love that
You're looking for
(The kind love you never felt before)

Say you'd never leave me
Tears they don't come easy
Baby please don't leave me
Baby (In the love that you're looking for)

Baby cry so easy
Expect me to believe
In the love you're looking for
(The of love you're looking for)
Say you'd never leave me
Tears they don't come easy
Baby please don't leave me
Baby (In the love that you're looking for)
