

Go All The Way

Eric Carmen

I never knew how complete love could be
Till she kissed me and said,
"Baby, please go all the way,
It feels so right
Being with you here tonight,
Please, go all the way,
Just hold me close
Don't ever let me go"

I couldn't say what I wanted to say
Till she whispered, "I love you so,
Please go all the way,
It feels so right
Being with you here tonight,
Please, go all the way,
Just hold me close
Don't ever let me go"

Before her love I was cruel and mean,
I had a hole in the place where my heart should have been
But now I've changed,
And it feels so strange
I come alive when she does all those things to me
And she says,
"Come on" (Come on)
"Come on" (Come on)
"Come on" (Come on)
"Come on" (Come on)
"I need you" (Come on)
"I love you" (Come on)
"I need you" (Come on)

Please, go all the way
It feels so right being with you here tonight
Please, go all the way
Just hold me close
Don't ever let me go

Go all the way
