

## Fireball Mail

Ernest Tubb

Here she comes look at her roll there she goes eatin' that coal  
Watch her fly huggin' the rails let her by by by it's the fireball  
all mail

Let her go look at her steam hear her blow whistle and scream  
Like a hound a waggin' his tail Dallas bound bound bound it's the  
fireball mail

Engineer makin' up time tracks are clear look at her climb  
See that freight clearin' the rail bet she's late late late it's  
the fireball mail

Watch her swerve look at her sway get that curve out of the way  
Watch her fly look at her sail let her by by by that's the fireball  
mail

Now here she comes look at her roll there she goes eatin' that  
coal

Watch her fly huggin' the rails let her by by by the fireball mail

Let her by by by the fireball mail
