I Love You Because

Ernest Tubb

I love you because you understand dear Every single thing I try to do You're always there to lend a helping hand dear But most of all I love you 'cause you're you

No matter what the world may say about me I know your love will always see me through I love you for the way you never doubt me But most of all I love you 'cause you're you

I love you because my heart is lighter Every time you're walking by my side I love you because the future's brighter The door to happiness you've opened wide

No matter what may be the style or seasons I know your heart will always be true I love you for a hundred thousand reasons But most of all I love you 'cause you're you
