

## Just An Old Faded Photograph

Ernest Tubb

Just an old faded photograph of you one I always will treasure  
more than gold  
It alwas keeps my mem'ries same as new dear a keepsake of a lov  
e that won't grow old  
Though the old faded photograph is dim in my heart there's a pi  
cture same as new  
As the years go passing by all alone I sit and cry over an old  
faded photograph of you  
Just an old faded photograph...
