Lord Knows I'm Drinking

Ernest Tubb

Hello Mrs Johnson You self righteous woman Sunday school teacher What brings you out slummin'

Do you reckon the preacher Would approve where you are? Standing here visitin' with a back slidin' Christian in a neighborhood bar

Well yes, that's my bottle And yes that's my glass And I see you're eye balling This pretty young lass

It ain't none of your business But yes she's with me And we don't need no sermon You self righteous woman just let us be

The Lord knows I'm drinking And running around And he don't need your loud mouth Informing the town

The Lord knows I'm sinning And sinning ain't right But me and the good Lord Gonna have us a good talk later tonight

Goodbye Mrs Johnson You self righteous biddy I don't need your preaching And I don't need your pity

So go back to whatever You hypocrites do And when I talk to heaven be nice And I'll put in a good word for you

The Lord knows I'm drinking And running around And he don't need your loud mouth Informing the town

The Lord knows I'm sinning And sinning ain't right But me and the good Lord Gonna have us a good talk later tonight Yes me and the good Lord Gonna have us a good talk later tonight
