With Tears In My Eyes

Ernest Tubb

With tears in my eyes dear I beg you to stay You wouldn't believe me so you went away I made a mistake dear by telling you lies now I lay awake dear with tears in my eyes

No more to be sweethearts no more to be friends Just give me a chance dear and I'll make commands My yesterdays haunt me my weary heart cries I just can't go on dear with tears in my eyes If you ever need me oh please let me know wherever you leave me I'm willing to go But past is a flower that withers and dies I'll wake up tomorro w with tears in my eyes With tears in my eyes dear...
