Mama Mama
Mama Mama
Mama Mama
Mama-a-ha-ha-ha
Ha-Mama
Do-o-hooo-hooo

There's a courtyard in my mind
where I am scared to go
'cos I don't know
what I'll find
Painted devils
wicked dreams
It's all inside
and it scares the shit outta me

They're dressed in leather
head to toe
They teach me all sorts of freaky shit
that I didn't know

Each time they leave they ask me
"So what have we learned"
and I can't answer
'cos I'm totally burned

I'm so ashamed of what I do
which is why I'm telling you
Well, I guess I hope you'll say
it's all right
it's all right man
it's perfectly normal

And if you think that that's the end
then I suggest you think again
Well, 'cos it's merely the start
of a dark and creepy journey
through my warped mind

And when they fuck me
I see all the things that I...
things I never understood

It's kinda like being raped I guess
only this feels so damn good
It's liberating man
it'll open up your mind

When you've been whipped to blood
you'll be amazed at what you find

And when it's over
and I wake up from the dream
The slashes on my back hurt so bad
it makes me wanna scream

Fact or fiction

Yeah
Truth or dare
It's all inside me
It makes me so scared

Hoo-hoo-o-ho-hoo
Yeah-yeah-yeah-yeah
Yeah-yeah-yeah...
Oh Ah
