

# Here I Am (Come And Take Me)

Etta James

I can't believe that it's real  
The way that you make me feel  
A burning deep down inside  
A love that I cannot hide

Our love is you and me baby  
That makes the world go 'round  
And if you've been doin' lovin with me  
Layin' all my troubles down

Here I am, baby  
Come and take me  
Here I am, baby  
Come and take me  
Take me by the hand  
Show me  
Here I am, baby

It always ends up this way  
Me begging you every day  
I love that I cannot have  
You broke my heart into half

Our love is you and me baby  
That makes the world go 'round  
And if you've been doin' lovin with me  
Layin' all my troubles down

Here I am, baby  
Come and take me  
Here I am, baby  
Come and take me  
Take me by the hand  
Squeeze me  
Here I am, baby

When I'm down  
I can always call you  
For a helpin' hand  
I know you'll do the best you can

But it don't take much from me  
Just my cup of Joe  
Oh there's love inside me  
I believe there's going to be an explosion

It's tough for me, oh baby  
I can do worry  
Tell me all your troubles  
You won't ever have to worry now

Just one more thing, ask everybody  
Everybody you see, no, no  
You'll find your self lost  
And alone on a darkened street

Here I am, baby

Come and take me  
Here I am, baby  
Come and take me  
Take me by the hand  
Show me  
Here I am, baby

Here I am, baby  
Come and take me  
Won't you teach me, baby?  
Won't you take me by the hand?  
Teach me  
Here I am, baby
