

You Are My Sunshine

Etta James

The other night
As I lay sleeping
Whoah I dreamed I held you
Held you in my arms
Well but when I woke up this morning
I found out I was mistaken
Do you know that I hung my
I hung my head and cried

Whoah you are my sunshine
(you are my sunshine)
Ohh my only sunshine
(my only sunshine)
Well little girl you make me happy sometimes
(you make me happy)
When my skies are grey
(when skies are grey)
Umm you'll never never never know dear
(you'll never know dear)
How much I love you
(how much I love you)
Whoa and I don't want you to take
(don't take my sunshine)
My sunshine away
(shine away)

You told me once dear
That you really loved me
And no one else
Could ever come between yeah
But now you left me and you love another yeah
And you have shattered oh yeah
All of my dreams

Whoah you are my sunshine
(you are my sunshine)
Ohh my only sunshine
(my only sunshine)
Ohh you make me happy sometimes
(you make me happy)
When my skies are grey
(when skies are grey)
Whoa you'll never never never know dear
(you'll never know dear)
How much I love you
(how much I love you)
Whoa and I don't want you to take
(don't take my sunshine)
Whoa if you love me
(don't take my sunshine)
Umm-hmm if you need me
(don't take my sunshine)
Uh-huh if you want me
(don't take my sunshine)
Waaaahh! Listen
(don't take my sunshine)
(don't take my sunshine)

I don't want you to take
(don't take my sunshine)
Waaaahh! Listen
(don't take my sunshine)
(don't take my sunshine)
I don't want you to take
(don't take my sunshine)
Whoah my sunshine away
(shine away)
