The race is on I'll find my way Something has changed Since I've been away

The fear is gone
And I can't wait
I feel the rush
Still got dues to pay

Well, I've had enough Gonna stand up straight And rebuild my life Well, you gotta have faith

And it will be tough Gonna fight each day 'Til I'm back on top Well, you gotta have faith

Full speed ahead I waste no time Now I know how to live my life

I've been knocked down
I'm back around
It'll put some soul in this heart of mine

Well, I've had enough Gonna stand up straight And rebuild my life Well, you gotta have faith

And it will be tough Gonna fight each day 'Til I'm back on top Well, you gotta have faith

I get the feeling
I can go that extra mile
I get the feeling
I can reach that open sky

I get the feeling
Things will never be the same
I get the feeling
That I can win again

Well, I've had enough Gonna stand up straight And rebuild my life Well, you gotta have faith

And it will be tough Gonna fight each day 'Til I'm back on top Well, you gotta have faith Well, you gotta have faith Well, you gotta have faith
