

Breathe No More

Evanesence

1. I've been looking in the mirror for so long
That I've come to believe my soul's on the other side
All the little pieces fallen, shatter
Shards of me, too sharp to put back together

Too small to matter
But big enough to cut me into so many little pieces
If I try to touch her

R: And I bleed, I bleed
And I breathe, I breathe no more

2. Take a breath and I try to draw from my spirit's well
Yet again you refuse to drink like a stubborn child
Lie to me, convince me that I've been sick forever
And all of this will make sense when I get better

I know the difference between myself and my reflection
I just can't help but to wonder
Which of us do you love

R: So I bleed, I bleed
And I breathe, I breathe no
Bleed, I bleed
And I breathe, I breathe
I breathe, I breathe no more
