

Haunted

Evanesence

Long lost words whisper slowly to me
Still can't find what keeps me here
When all this time I've been so hollow, inside

I know your still there
watching me wanting me
I can feel you pull me down
fearing you loving you
I wont let you pull me down

Hunting you I can smell you alive
Your heart pounding in my head

Watching me wanting me
I can feel you pull me down
saving me raping me
watching me

Watching me (ahhh)
Wanting me (ahhh)
I can feel feel you pull me down (feel you pull me down)
fearing you (ahhh)
loving you (ahhh)
I won't let you pull me down
