

# If You Don't Mind

Evanesence

Where's the light  
Killed my day  
Lost in the dark of your ways  
Wasted my energy, endlessly  
On your sweet lie

And if you don't mind  
I would like to live the lie  
That I will survive  
And if you don't mind  
I would love to slip away  
And leave your world behind

Insecure, I'm not so sure that  
You're not just faking something  
Wasted our last day  
I can't take the pain, babe

And if you don't mind  
I would like to live the lie  
That I will survive  
And If you don't mind  
I would love to slip away and leave it all behind

And if you don't mind  
I would like to live the lie  
That I will survive  
And if you don't mind  
If you don't mind
