

My Cartoon Song

Evanesence

I'm Robbie's sister
I guess that's plain to see
When we watch cartoons cartoons
I'm as happy as can be
I think Samurai Jack's cool
And Dexters Laboratory
I miss watching power puff
I miss watching tv
well living on the tourbus ain't that bad
But I feel like I've lost all that I had
Cartoon Network
I miss you so
Cartoon Network
Where did you go

Grim & Evil how i love that little brain
Johnny Bravo can i smack you once again,
I hope you've learned a lesson here
Treasure what you have
Don't make the mistake I made
The rockstar life is sad

Well living on a tour bus is pretty bad
And now I'm sure I know
The meaning of my life
The love within my soul
The reason I wake up each day and it's cartoon network
I miss you so
My Cartoon Network

Where did you go?

My cartoon...network...
