

# The Other Side

Evanscence

Make me whole again  
Open your eyes  
Taunted by the shadows  
Of your lie  
Cold and far away  
But not even mine  
Undo everything  
And take me

Higher  
Never believing what they say  
Cause I'm

Counting the days  
To meet you on the other side  
I will always be  
Waiting  
Until the day that I see you  
On the other side  
Come and take me home

I want you back  
Holding together by the shards of our past  
Stole my heart away  
I can't let you go  
Break these chains  
And let me fly to you

High above  
Over and over in my mind

Counting the days  
To meet you on the other side  
I will always be  
Waiting  
Until the day that I see you  
On the other side  
Come and take me home...

I am so lost without my place  
Inside your heart  
I won't survive  
I need to know you hear me  
All I've been  
I release my love

Counting the days  
To meet you on the other side  
I will always be...  
Waiting  
Until the day  
That I see you on the other side  
Come and take me

Counting the days  
To meet you on the other side  
I will always be

Waiting  
Until the day that I see you  
On the other side  
Come and take me home
