

Weight Of The World

Evanescence

Feels like the weight of the world
like God in heaven gave me a turn
don't cling to me, I swear I can't fix you
still in the dark, can you fix me?

Freefall, freefall, all through life

If you love me, then let go of me
I wont be held down by who I used to be
she's nothing to me

Feels like the weight of the world
like all my screaming has gone unheard
and ohm I know you don't believe in me
safe in the dark, how can you see?

Freefall, freefall, all through life

If you love me, then let go of me
I wont be held down by who I used to be
