Hey, yo I don't even know you and I hate you See all I know is that my girlfriend used to date you How would you feel if she held you down and raped you? Tried and tried, but she never could escape you She was in love and I'd ask her how? I mean why? What kind of love from a nigga would black your eye? What kind of love from a nigga every night make you cry? What kind of love from a nigga make you wish he would die? I mean shit he bought you things and gave you diamond rings But them things wasn't worth none of the pain that he brings And you stayed, what made you fall for him? That nigga had the power to make you crawl for him I thought you was a doctor be on call for him Smacked you down cause he said you was too tall for him, huh? That wasn't love, babygirl you was dreamin' I could have killed you when you said your seed was growin' from his semen

Love is blind, and it will take over your mind What you think is love, is truly not You need to elevate and find

I don't even know you and I'd kill you myself You played with her like a doll and put her back on the shelf Wouldn't let her go to school and better herself She had a baby by your ass and you ain't giving no help Uh-huh big time hustler, snake motherfucker One's born everyday and everyday she was your sucker How could you beat the mother of your kids? How could you tell her that you love her? Don't give a fuck if she lives She told me she would leave you, I admit it she did But came back, made up a lie about you missing your kids Sweet kisses, baby ain't even know she was your mistress Had to deal with fist fights and phone calls from your bitches Floss like you possess her, tellin' me to mind my business Said that it was her life and stay the fuck out of it I tried and said just for him I'll keep a ready clip

I don't even know you and I want you dead Don't know the facts but I saw the blood pour from her head See I laid down beside her in the hospital bed And about two hours later, doctors said she was dead Had the nerve to show up at her mother's house the next day To come and pay your respects and help the family pray Even knelt down on one knee and let a tear drop And before you had a chance to get up You heard my gun cock Prayin' to me now, I ain't God but I'll pretend I ain't start your life but nigga I'mma bring it to an end And I did, clear shots and no regrets, never Cops comin' lock me under the jail Nigga whatever my bitch, fuck it my sister You could never figure out even if I let you live What our love was all about I considered her my blood and it don't come no thicker
