

## Set it on fire

Eve

Set it on fire fire fire..  
fire fire..

Hey if you play our game making me say alot of things ill never face.  
Steal..Trying to catch up chasing me for days.I  
'll be in the fast line you'll be up away.

What we do we see each other and go play still got the mask with jaws but no  
fee..  
Brand new , think breaking laws It's  
okay..

talking shit are only gonna make you blown away so take my advice stay fare.  
.  
This fame you never want that In and out notraces like that.  
You know youll feel the heat your on back common...

Listen It's get time and the clock is set next to moving lights..  
Drowning at the sound of the crowd.But they play in sight  
stepping on the fire fire..till it explode..

Listen It's get time and the clock is set next to moving lights..  
Drowning at the sound of the crowd.  
But they play in sight  
stepping on the fire fire..till it explode..

Set it on fire fire fire..  
Let it burn fire fire fire..  
fire till it explode  
set in on fire fire...  
let it on fire fire fire..  
fire till explode..

Yeah.. Yeah..  
Hey yo hip-hop elite I'm revivant contagious flow call poison madman.  
Everybody doing it Jersey to tight Tee  
follow it the transam never excited me.

Always a lead And the rest to follow Short bizar parses doing as well as the  
bible .  
Maybe we are small but few arechoosen.  
You know its will when eve is spoken.

You know it's get crazy when the lights go out.  
You better be prepare for different drop The heat keep coming you better  
start running.  
The way that they aiming that thing you can't stop them..

You know it's get crazy when the lights go out.  
You better be prepare for different drop The heat keep coming you better  
start running.  
The way that they aiming that thing you can't stop them..

Listen It's get time and the clock is set next to moving lights..  
Drowning at the sound of the crowd.But they play in sight  
stepping on the fire fire..till it explode...
