

# What Ya Want

Eve

What y'all niggaz want? (What we want, right)  
Can't touch All y'all niggaz need (what we need in our life?)  
Is right here

Rubia huh? Papi screamin out of they mouth  
Bombshell, just a second mami, wanna speak out  
What I need in my life, make ya body freak out  
Baby seem like the type, married niggaz sneak out  
like I'm ballin y'all, yes I be appallin y'all  
Boss type hold it down, wantin all of y'all  
Callin y'all never chasin me down  
Three weeks, heartbroken, yes you hatin me now  
She speaks, soft spoken, til she datin the clown  
I'm takin em down, reel em in and makin em drown  
Mistake, I said gimme, bet I'm takin it now  
What I need from a nigga negative in his sound  
Au-dacity, even, askin me  
For ass, I laugh, this bitch is fast and free  
Swattin em off, when I see this nigga's a flea  
Plottin of course for riches, millionaire wannabe  
Uh-huh

Whether you're in Cuba, Puerto Rico, Republica Dominicana  
Venezuela, Mexico, everywhere tell me what you want  
Guatemala, Costa Rica, El Salvador, Ecuador, Colombia  
Everywhere tell me what you want

Popular since I started my life  
Eve you know my name, probably the dangerous type  
Brick house stall-ion, think you tamin me right?  
Not this baby Del-Philly streets they raisin her right  
Keep it pretty or can make it gritty be a LADY!  
Need boots pocket books and a baby 380!  
But prefer to keep it, calm and cool  
When I'm heated I suggest you move  
Just avoid a bad situation, what you got to prove?  
Leave her be, chicken squakin hatin frequently  
Mad they man is obsessed and stalkin me  
If he, icy enough, I'm pricin his stuff  
Be nicy enough, to let him spend, I'm callin ya bluff  
Puttin it down, Ruff Ryders put in they work  
Snatched up the illest viscous pitbull in a skirt  
(Grrrrrr) Makin em hurt, haters steady dishin up dirt  
Changin the game, settin the rules, makin it work, uh

Leavin em scared, mami takin all of this here  
All of this fame I'm hungry hope you cats is prepared  
Niggaz, set me up and I'ma take it and run  
Think it's a game? Just check out how my format is done  
Stoppin your shine, and I do it to perfection  
Made a promise everytime I touch the mic to bless em  
Used to tease me how I keep is greasy just to test em  
Eve handcuff niggaz but I don't arrest em  
Shorty-bang hear the niggaz singin, shoutin my name  
Make the thuggish niggaz scream, watchin me entertain  
Dicks brick when I lick the lips, just keepin it plain  
Fantasizin bout this bitch, got em goin insane

Oooh's and ahhh's, 5'7" thick in the thighs  
Every thugs dream wife, see the love in they eyes?  
My time to shine, whole package make her a dime  
Want some more? It ain't over, just keep pressin rewind, uh
