

I Forgive You

Every Avenue

You, you got a way of keeping
me on my toes and you got a way
of thinking whatever you do goes
and I really don't mind cause you
keeping me amused and you treated
my love to your god damn crazy moods
and I, I forgive you

I forgive you for the truth I liked you better
when you lied, and I forgive you being you
cause you were better when you faked every smile
and know your knocking on my front door that's what
I've been living for excuse me while I laugh my ass off
I forgive you for your ways now that I finally got away

I, I'm gonna miss watching you while you sleep
cause that was the only time I ever found some peace
I use to believe it was me who was insane, but now I
take it back cause compared to you I'm OK
and I, I forgive you

I forgive you for the truth I liked you better
when you lied, and I forgive you being you
cause you were better when you faked every smile
and know your knocking on my front door that's what
I've been living for excuse me while I laugh my ass off
I forgive you for your ways now that I finally got away

From you, I could throw my cares away
now I know how freedom taste and I
thank you for the pain cause now I
can deal with anything

You, you had a way of keeping me on my toes
I forgive you for the truth I liked you better
when you lied, and I forgive you being you
cause you were better when you faked every smile
and know your knocking on my front door that's what
I've been living for excuse me while I laugh my ass off
and now your knocking on my front door that's what I've
been living for excuse me while I laugh my ass off
and now your knocking on my front door that's what I've
been living for excuse me while I laugh my ass off
I forgive you for your ways now that I finally got away
