

# No One But You

Every Avenue

Tonight, you're mine  
I wanna shake it  
Your eyes can't lie  
No you can't fake it

Tonight, you're mine  
I wanna shake it  
Your eyes can't lie  
No you can't fake it

This is everything that I wanted tonight

So come on, whoa  
I've got no one, whoa  
No one but you  
Yeah, whoa  
Yeah, I've got no one (I've got no one)  
No one but you

I want your heart  
So I can break it  
I want to be inside your world  
With no escaping

This is everything that I wanted tonight, yeah

So come on, whoa  
I've got no one, whoa  
No one but you  
Yeah, whoa  
Yeah, I've got no one (I've got no one)

Don't stop, we're just getting started  
Don't talk, I know you want it  
I'm gonna get what I want  
You'll get what you want  
We're just getting started

Don't stop, we're just getting started  
Don't talk, I know you want it  
I'm gonna get what I want  
You'll get what you want  
We're just getting started

So come on, whoa  
I've got no one, whoa  
No one but you (no one but you)  
Whoa, yeah, I've got no one (I've got no one)  
I've got no one  
I've got no one (yeah)  
No one but you
