Whip It

Face to Face

Crack that whip Give the past the slip Step on a crack Break your momma's back When a problem comes along You must whip it Before the cream sits out too long You must whip it When something's going wrong You must whip it Now whip it Into shape Shape it up Get straight Go forward Move ahead Try to detect it It's not too late To whip it Whip it good When a good time turns around You must whip it You will never live it down Unless you whip it No one gets their way Until they whip it I say whip it Whip it good
