Petting the Carpet

Special demons from under hair they've come to say you're not so great

Petting the carpet saliva flows strong birds scream at people and hard tears land soft

Special demons from under hair they've come to say you're not so great you're not so great you're not so great you're not so great

Petting the carpet saliva flows strong birds scream at people and hard tears land soft

Special demons from under hair they've come to say you're not so great you're not so great you're not so great you're not so great
