

If This Is the End

Faith Hill

Our love's the moon
Our love's the kingdom come
Our love's a flame
Our love's His will be done

Our love's a jewel,
A diamond in the rough
But you don't want it
You don't want to take

[Chorus]
If this is the end
I don't want to know
This time
If this is the end
I don't want to go
This time
If this is the end

Our love's true
Our love's the rising sun
Our love's in bloom
Our love has just begun
Our love is proof
Of what was yet to come
But you don't want it
You don't want to take

[Chorus]

It was so easy
We were so young
It's only natural to come undone
At the end of this evening
Before the rise of the sun
You're coming with me
You're coming with me, yeah

[Chorus]

I don't want to know
I just want to bide my time
If this is the end
I don't want to go
I just want you by my side
If this is the end...
