

# That's How Love Moves

Faith Hill

It's such a mystery  
How you found something in me  
That I never knew was there  
But you uncovered it so easily  
You turn me like the season  
And I began to change  
You wrapped your arms around me  
Now I'll never be the same

That's how love works  
That's how love moves  
Like a river running through you  
Sometimes it lifts you high as Heaven  
It consumes you  
That's a given  
That's how love moves

I've seen walls that could never be broken  
Come tumbling down  
I've heard the voice of love calling  
Without making a sound  
See I was touched by an angel  
The day you took my hand  
You know that you're the miracle  
That makes me everything I am

That's how love works  
That's how love moves  
Like a river running through you  
Sometimes it lifts you  
As high as Heaven  
It consumes you  
That's a given  
That's how love moves

Sometimes it's a whisper  
Sometimes it's a storm  
Sometimes it reaches forever  
With it's everlasting arm

That's how love works  
That's how love moves  
Like a river running through you  
Sometimes it lifts you  
As high as Heaven  
It consumes you

That's how love works  
That's how love moves  
Like a river running through you  
Sometimes it lifts you  
As high as Heaven  
It consumes you  
Oh, that's a given  
That's how love moves  
Baby, yeah  
High as Heaven

That's how love moves  
As high as Heaven
