Wanting you the way I do
I only want to be with you
And I would go to the ends of the earth
?Cause darling, to me that?s what you?re worth

Where you lead, I will follow Anywhere that you tell me to If you need, you need me to be with you I will follow where you lead

If you?re out on the road
Feeling lonely and so cold
All you have to do is call my name
And I?ll be there on the next train

Where you lead, I will follow Anywhere that you tell me to If you need, you need me to be with you I will follow where you lead

I always wanted a real home
With flowers in the window sill
But if you want to live in New York City
Honey, you know I will

I never thought I could get satisfaction From just one man If anyone can keep me happy You?re the one who can

Where you lead, I will follow Anywhere that you tell me to If you need, you need me to be with you I will follow, oh oh oh

Where you lead, I will follow
Any anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead, oh, yes I will

Oh, I?m gonna follow where you lead I?m gonna follow where you lead Oh, I?m gonna follow where you lead I will follow, I will follow

Oh, yes I will
