

Ugly in the Morning

Faith No More

You did one thing wrong
 You woke up.
It looked better before
More - more
And the stomach turns...
Say nothing without wasting a word
I know exactly what you meant
I know how piggy feels
He starves without missing a meal
Look in the mirror...
 Don't look at me -
 I'm ugly in the morning
When the headache is gone,
The sun is not.
Forgot to turn the alarm
On - on
Doesn't matter how much you think
Or the number of hairs in the sink
I did it to myself again
I know how piggy feels
He starves without missing a meal
It's getting clearer...
 Don't look at me -
 I'm ugly in the morning
