Love is My Condition

Faithless

Love is my condition Fired Love is my condition Love is my condition Fired Fired Has been fired Love is my condition Fired Fired Has been fired Once the catch has been caught Money has been counted Once the shot has been fired T' killing's done Once the catch has been caught Money has been counted Once the shot has been fired T' killing's done Birds have flown Train has pulled out Fired Wash my face N' then undress Close the curtain N' leave the mess Knowing Fired Pills won't help it Words won't help it Money can't help it Pills won't help it Words won't help it Money can't help it Once the bet has been drawn The bodies have been counted Once my shot has been fired Fired Fired Fired Fired (Knowing... pills won't....) I wash my face And then undress Close my day And leave the mess

Love is my Condition Knowing
