

# Heaven's Gate

Fall Out Boy

One look from you  
And I'm on that faded love  
Out of my body  
And flying above

If there were any more left of me  
I'd give it to you  
And I'll tell you that I am fine  
But I'm a missile that's guided to you

Go out in the world to start over again and again  
As many times as ya can  
And in the end if I don't make it on the list  
Would you sneak me a wristband?

Would you give me, give me, give me, give me a boost  
A boost over heaven's gate, yeah  
Give me a boost over heaven's gate  
I'm gonna need a boost  
'Cause everything else is a substitute for your love  
Give me a boost over heaven's gate

I got dreams of my own  
But I want to make yours come true  
So please come through  
Honey please, please come through

You're, you're out in the world, start over again and again  
As many times as you can  
And in the end if I don't make it on the list  
Would you sneak me a wristband?

Give me a boost, a boost over heaven's gate, yeah  
Give me a boost over heaven's gate  
I'm gonna need a boost  
'Cause everything else is a substitute for your love  
Give me a boost over heaven's gate

You're the one habit I just can't kick  
You're the one habit I just can't kick  
You're the one habit I just can't kick  
You're the one habit I just can't kick  
You're the one, you're the one  
You're the one, you're the one  
You're the one habit I just can't kick

Give me a boost, a boost over heaven's gate, yeah  
Give me a boost over heaven's gate  
I'm gonna need a boost  
'Cause everything else is a substitute for your love  
Give me a boost over heaven's gate  
Give me a boost
