

# Wrong Side of Paradise

Fall Out Boy

You say "please don't ever change"  
But you don't like me the way  
The way that I am  
The way that I am

Champagne and problems, toast  
I will never solve them, oh  
I think I woke up on  
The wrong side of paradise

I'm trying to kick the habit  
But when you're not around I just can't stand it  
Oh yeah, I think I woke up on  
The wrong side of paradise

The wrong side of paradise  
The wrong side of paradise  
I think I woke up on  
The wrong side of paradise

The wrong side of paradise  
The wrong side of paradise  
I think I woke up on  
The wrong side of paradise
