

Bore Me (yawn)

Fantasia

You come creeping in 6 in the Morning
Like ain't nobody suppose to know.
Say You Been Working but Get in Bed
Smelling just like fresh bar of soap. (soap)

Ask you about it, you just turn ya back
And get mad and just fall asleep, (sleep)
Got a lot on ya mind and a argument
Is the last Thing you need.

Baby you trippin'
It don't go that way
This ain't a movie
Or a Tyler Perry play
If you really wanted to mess around
That's all you had to say
But it ain't gonna be itty bitty silly me
So don't waste ya energy.

Expect me to listen
When all I keep hearin'
Is You spitting nothing bt game
Expect me to stay
When all you can say
One day everything'll change
Don't wanna leave , wanna believe
That you won't do me wrong
But it's starting to
Bore me, Bore me, Bore me (hm, yawn)

I ain't yelling, I'm telling
You nothing but how I heard you getting down (down)
In the theatre with sister girl
Over on the other side of town. (hey.hey.hey.)
Ain't got no picture but you'll might as well
Have been walking right into me.
Ain't no way in the hell immuh let it ride
But you do it to me

Baby you trippin'
It don't go that way
This ain't a movie
Or a tyler perry play
If you really wanted to mess around
That's all you had to say
But it ain't gonna be itty bitty silly me
So don't waste ya energy.

I'm telling you
That I refuse to let it go
Down like this
Baby girl,
You must've bumped ya head
Everytime you go assuming
You know you make a fool out of you
Got them other girls out of my world
And your the only one

I'm tryna make this clear
Hope you feel me my dear (ooh)

How You Gonna expect me

Expect me to listen
When all I keep hearin' Fantasia,
Is You spitting nothing but game
(you spitting nothing but game)
Expect me to stay Fantasia,
When all you can say
(Why You Be In my Mind, Got Me Telling lies)
One day everything'll change
Don't wanna leave, wanna believe
That you won't do me wrong
But it's starting to Fantasia
(But You starting To Bore Me)
Bore Me, Bore Me, Bore Me (hm yawn)
