

# The Thrill Is Gone

Fantasia

Some things are going on; And I'm not saying you're to blame  
I know I'm not your girl, I know you're not my man  
But something's wrong, I can't explain

After the waste of time, love lets keep it plain (Don't wanna play)  
Cause boy I'm grown and ya, damn near twice my age  
So tell me what's happening

So let me know just why I'm feeling strange  
Just let me know boy if your feelings changed  
Because I feel the way I feel, And I won't let it go until  
You let me know cause it ain't feeling the same

It's gone-e  
Along with games the cars the lies, the thrill is gone  
So gone-e  
Though it was fun but now we're done the thrill is done

Was it just chase, You acting like you need some space  
Perhaps it was the fact, you want what you can't have  
And I won't let you get your way  
Why do you pick me up just to cast me away (the love I gave)  
Never quite enough, you really got me stuck  
I need for you to set it straight.

But let me know just why I'm feeling strange  
Just let me know boy if your feelings changed  
Because I feel the way I feel, And I won't let go until  
You let me know cause it ain't feeling the same

It's gone  
Along with games the cars the lies, the thrill is gone  
So gone-eeeeeeeeeeeeeeeeeeee  
Though it was fun but now we're done the thrill is done

A cocktail keeps me company  
While the piano man plays one for me  
So similar situation must've sent you  
Cause this is too cool to be coincidental

And Oh yes let's not forget  
You look like been dipped in hot chocolate  
And I means lots of it  
So instead of stay we did the opposite  
At a red light but I didn't stop for Sh\*t!

It's cool, I don't kiss and tell  
Oh lord, you don't listen well  
It's pleasure...Pains not in my planning  
Damn I thought we had a understanding

It's gone  
Along with games the cars the lies, the thrill is gone  
So gone  
Though it was fun but now we're done the thrill is done
