If you are tied from behind girl

You a candy girl, I get it from her mommy girl
The way that you been runnin' through my mind
Mess around and pull a hammy girl
Tryin' to get them panties girl
Hotter than a beach in Miami girl
And I ain't got to press my luck
'Cause 'round here is betting money
No wammies girl

'Cause after this corona
I'm trying to have a face down
So when I walk up on her
I'm checking in from the waist down
I spend a couple of longer
We heading to my place now
