

## Fly with U

### Far East Movement

I still believe in your eyes  
I just don't care what you've done in your life  
Baby, I'll always be here by your side  
Don't leave me waiting too long, please come by  
And I'll be fly with you  
I'll be fly with you

Yo I'm flipping through this bizzies on the radio  
Stop, something tells me you someone I never seen before  
Let's go, I'm on your dial, I hit you with my style  
What's your name and your sign, anything to make you mine  
All night, turnt up, that's the way we live it up  
Show me love, tip it off, that's the way we'll live it up  
Dirty bass, make it boom, that's the way we'll live it up  
Breaking dawn going hard with you I just can't get enough

I still believe in your eyes  
I just don't care what you've done in your life  
Baby, I'll always be here by your side  
Don't leave me waiting too long, please come by  
And I'll be fly with you  
I'll be fly with you

I see the way that you're staring at me and not just my watch  
If we ride a bucket, we'll be fly 'cause we hot  
Me and my baby by my side, we on top  
It's just me and my lady ride or die  
We won't stop  
All night, turnt up, that's the way we live it up  
Show me love, tip it off, that's the way we'll live it up  
Dirty bass, make it boom, that's the way we'll live it up  
Breaking dawn going hard with you I just can't get enough

I still believe in your eyes  
I just don't care what you've done in your life  
Baby, I'll always be here by your side  
Don't leave me waiting too long, please come by  
And I'll be fly with you  
I'll be fly with you

Let me see you go up, now down  
Let's turn this party up  
If you got that dirty bass  
Girl let me see you bounce  
Let me see you go up, now down  
Let's turn this party up  
If you got that dirty bass  
Let me see you bounce
