Guilty

Faron Young

I've been accused convicted and condemned the trial's over and now I face the end Is this your way of telling me we're through when all I'm guilt y of is loving you

You were the judge the jury all in one you found me guilty and now my terms begun I must confess I've never been untrue and all I'm guilty of is loving you

Loving you and now I'm losing you oh losing you for things I di dn't do Please let your heart consider and appeal for now you know exac tly how I feel Don't punish me for things I didn't do when all I'm guilty of i s loving you Yes all I'm guilty of is loving you
