

# I Wanna Be Your Boyfriend

Farrah

Sitting here so close together  
So far we're just friends  
But I'm wondering whether I  
Am I just imagining you  
Have you really got a thing for me like I think you do  
When I see you smile and that smile's for me.  
I want to tell you... hey you  
I want to be your boyfriend, trying to say I want to be your number one.  
Hey you, I want to be your boyfriend, gonna make you love me before I'm done.  
Late at night when I, when I can't sleep, picture in my mind, I see you and me.  
I tell you what I want to be  
You say your in love with me and oh it's so good in dream it's just got to be.  
I want to tell you... hey you  
I want to be your boyfriend, trying to say I want to be your number one.  
Hey you, I want to be your boyfriend, gonna make you love me before I'm done.  
I'm gonna make you love me, yes I'm gonna make you love me  
I'm gonna make you love me before I'm done.  
I want to tell you... hey you, I want to be your boyfriend, trying to say I want to be your number one.  
Hey you, I want to be your boyfriend, gonna make you love me before I'm done.
